

PVBLIC ENGAGEMENTS

80TH SESSION OF THE UNITED NATIONS GENERAL ASSEMBLY

As the world gathers in New York for the 80th Session of the United Nations General Assembly, PVBLIC Foundation, in partnership with the Family Offices for Sustainable Development (FOSD), will host a dynamic series of high-level engagements designed to inspire action, accelerate collaboration, and drive measurable global impact.

Through the lens of our four foundational pillars, Nature, Technology, Capital, and Multilateralism, these curated events bring together visionary leaders, family offices, governments, and multilateral institutions to co-create the next chapter of sustainable development.

At the heart of FOSD is our commitment to Educate, Engage, and Activate. As the world's most prominent network of family offices focused on sustainable development, FOSD has already mobilized over \$350 million in capital, partnerships, and resources across more than 40 countries. This year's programming reflects our evolving role as a catalytic force in reimagining global systems, advancing the SDGs, and bridging legacy with innovation.

All events are invitation-only, subject to capacity, and may be subject to change.

Opportunities for sponsorship, co-hosting, and participation in the SDG Media Zone are available upon request.

Additional engagements may be added as UNGA approaches. To ensure personalized coordination aligned with your priorities, we invite you to complete the attached Expression of Interest (EOI) form.

SATURDAY, SEPTEMBER 20

Partnerships Day | 11:30AM–5:30PM | SDG Media Zone, United Nations Headquarters

- PVBLIC will host the 2nd Annual Partnerships Day activation on the grounds of the United Nations Headquarters, showcasing our partners, programs, campaigns, and innovations related to the Sustainable Development Goals.

Evening VIP Reception Hosted with World Food Programme | 6:00PM–8:00PM | SDG Media Zone, United Nations Headquarters

- Following Partnerships Day, in collaboration with the World Food Programme, this high-level convening will spotlight innovative partnerships that leverage private sector capital, data, and technology to build more resilient food systems globally.

SUNDAY, SEPTEMBER 21

VIP Welcome Brunch Hosted by FOSD | 1:00PM - 4:00PM | Location Details to be Disclosed to Invited Attendees

- This exclusive brunch brings together family offices and partners for an intimate start to UNGA week. PVBLIC will coordinate curated introductions and private networking opportunities to foster alignment and build rapport among ecosystem players in a relaxed setting.

The Geometry of Peace: Reimagining the Future of Cities | 7:00PM–9:00PM | Mercer Labs

- Hosted by PVBLIC, Supernature Labs and the Bioplanning Institute in collaboration with UNIFY.org, this immersive Peace Day activation debuts a global ecological movement rooted in nature-based urbanism. Through cinematic storytelling and spatial design, “The Geometry of Peace” invites leaders to reimagine the future of cities in alignment with life.

MONDAY, SEPTEMBER 22

ReOcean Climate Week Event | 6:00 PM | Event Details to be Disclosed to Attendees

- This high-level gathering will spotlight the ReOcean Fund’s work in advancing a sustainable blue economy through innovation in areas such as shipping, plastics reduction, offshore energy, and blue foods. Bringing together leading impact investors and ocean experts, the event will highlight pathways to scalable, high-impact solutions for ocean health, while fostering collaboration through dialogue and networking.

First Ladies Becoming: High-level Forum | 9:00AM - 4:00PM | The United Nations Salvation Army International Social Justice Commission Auditorium

- The Pan-African Intergovernmental Agency for Water and Sanitation for Africa, with support from PVBLIC, will bring together First Ladies and global leaders to advance women’s leadership in peace, equality, and sustainable development under the theme “Act Now for a Peaceful World.”

PVBLIC - Next Generation Forum and Reception in Partnership with Logicty | 2:00PM – 4:30PM Forum, 6:00 – 8:00 PM | Event Details to be Disclosed to Attendees

- Our platform launch of the PVBLIC Next Gen Platform in partnership with Logicty to engage next-gen family offices and rising leaders balancing sustainable development, legacy and returns. Join us for an evening as we look to advance multiple programs including the AI Leapfrog Initiative and the launch and design of AI Logic centers globally.

TUESDAY, SEPTEMBER 23

Leaders on Purpose Summit | All Day | Location TBC

- The 8th Leaders on Purpose CEO Summit will unite global CEOs, policymakers, and innovators in New York to shape intelligent market transitions across capital, technology, and nature—driving solutions for sustainable prosperity in an AI-accelerated world.

Private NGIC Cocktail | 8:00 PM | Location TBC

- Hosted by the Nizami Ganjavi International Center, this private salon convenes cultural figures, diplomats, and global thinkers for dialogue around peace, sustainable development, and cultural diplomacy. PVBLIC will support engagement strategy and partner alignment.

WEDNESDAY, SEPTEMBER 24

FOSD Day | 9:00AM–3:00PM | Delegates Dining Room South, United Nations Headquarters

- FOSD Day is our flagship event of the week hosted inside the United Nations Headquarters. This event will feature expert panels, project showcases, and strategic briefings focused on family office-driven development.

FOSD Night | 6:00PM - 8:00PM | Delegates Dining Room South, United Nations Headquarters

- A formal reception follow-up to the daytime programming focusing on new developments across space, capital, technology, and multilateralism. PVBLIC will spotlight space-data collaborations and developments driving global public private partnerships.

FOSD Soirée | 8:30PM - Late | Virgin Hotel

- This evening social will serve as a celebratory gathering of our UNGA partners. Held at the Virgin Hotel, the Soirée blends high-level networking with curated entertainment and impact storytelling. PVBLIC will highlight key milestones and recognize contributors to our shared mission. A dynamic environment to build community and momentum.

THURSDAY, SEPTEMBER 25 – PREMIUM DIPLOMATIC TRACKS

Health Equity Forum | 10:00AM - 3:00PM | Delegates Dining Room South, United Nations Headquarters

- Bringing together leaders in public health, technology, and investment to explore innovative solutions to global health challenges. PVBLIC will facilitate cross-sector collaboration and highlight pathways for private capital and technology to accelerate health equity. Ideal for those interested in healthtech, resilience, and systems innovation.

Nature Summit Lunch | West Terrace, United Nations Headquarters | Event Details to be Disclosed to Attendees

- This luncheon will explore nature-based capital and Real World Natural Assets. Join global leaders and innovators for a focused conversation on unlocking investment in natural ecosystems as a cornerstone of resilient prosperity.

PVBLIC SIDS and SDG Data Alliance Reception | Delegates Dining Room South, United Nations Headquarters

- Led by Dr. Gregory Scott, the SDG Data Alliance Reception will convene global leaders, innovators, and investors to spotlight the Alliance's work in building geospatial data infrastructure across the Global South—transforming how nations measure progress, unlock capital, and accelerate the 2030 Agenda.

PVBLIC Global Health Futures Gathering | Event Details to be Disclosed to Attendees

- Private family office and multilateral convening held for partners and supporters of PVBLIC's Global Health Futures Program. This high-level gathering will explore bold strategies to advance global health policy, accelerate technology transfer, and highlight the leadership role of families driving systemic change.

Private Event with Club de Madrid | Event Detail to be Disclosed to Attendees

- In partnership with Club de Madrid, this high-level roundtable features former heads of state discussing democratic resilience, multilateralism, and emerging global challenges. PVBLIC will facilitate connections between participants and our broader sustainable development agenda. This is a rare opportunity to engage with legacy leadership and elevate policy discourse.

FRIDAY, SEPTEMBER 26

Latin America Impact Day - Cumbre de Impacto | 9:00AM–3:00PM | Delegates Dining Room South, United Nations Headquarters

- Join us at our Latin America focused event - Cumbre de Impacto. Designed for FO's, investors and partners interested in sustainable development opportunities in Latin America.

The Ideagen UNGA Summit at Nasdaq | Time TBD | NASDAQ Offices

- Hosted at the Nasdaq offices, this summit will convene leaders from policy, technology, business, and philanthropy to spotlight innovative partnerships driving the Sustainable Development Goals. The gathering will underscore the power of cross-sector collaboration in delivering scalable solutions for global impact.

ADDITIONAL OPPORTUNITIES | FURTHER INFORMATION TO FOLLOW

Private Disaster Relief Event (Date TBC)

- This strategic roundtable will focus on disaster response innovation and resilience financing. PVBLIC will present key programs in development with key agencies and technology partners. Attendees will explore new technologies, funding models, and pilot programs aimed at enhancing disaster preparedness in climate-vulnerable regions.

Private PVBLIC Space Program Event (Date TBC)

- Private convening to further the conversation and collaborations for PVBLIC Partners to support Space based initiatives.

Additionally, every evening, there is a gathering that occurs for networking at various locations throughout New York City.

This is shaping up to be the most pivotal UNGA week yet, as we commemorate the 80th Anniversary of the United Nations General Assembly, and ten years of the Sustainable Development Goals.

Express Your Interest to Attend
